

**„Safeguarding tomorrow“: Is your project future-proof?**

## ■ **EXTINGUISHING TECHNOLOGY CHECKLIST** FOR PLANT DESIGNERS AND INDUSTRIAL CUSTOMERS

### **EXTINGUISHING SYSTEM**

- Has your extinguishing system been retrofitted to fluorine-free foam agents? Yes  No
- Does your extinguishing system have an overload protection? Yes  No

### **FOAM PROPORTIONER**

- Is your proportioner suitable for fluorine-free foaming agents? Yes  No
- Is your proportioning system equipped with smart sensors for reliable remote monitoring and fault analysis? Yes  No
- Is the suction line of your proportioner correctly configured? Yes  No
- Did you know that with your FireDos proportioning system the proportioning rate can be tested without generating foam or premix? Yes  No
- Did you know that you can use our TCO calculator to compare the total cost of ownership of a FireDos proportioning system with that of a bladder tank? Yes  No

### **EXTINGUISHING MONITOR**

- Is your plant equipped with an early fire detection system? Yes  No
- Is your plant equipped with monitors for automated extinguishing? Yes  No

### **SERVICES**

- Do you have a maintenance contract for your proportioner to prevent system failures and save costs? Yes  No
